Join us at AuSM. Members attend classes, workshops and the Minnesota Autism Conference at reduced rates. You will have lending privileges at our library, which includes a collection of more than 2,000 autism-related books, DVDs and resources. You will also receive our quarterly newsletter keeping you current on upcoming events, community news, research findings and other important information. Children of members have access to our summer camps, weekend retreats and social skills programs. More importantly, you will be part of a network of families and professionals who raise awareness of autism and support individuals who are on spectrum. See our Membership Options in the chart below and select the one that fulfills your needs.
